

Saguaro National Park - Saguaro Census Plot #15
January 30, 2010 – Park Staff and Volunteers

Saguaro Plot #15

In this figure, green columns represent the number of saguaros counted in 1990 and blue represent 2010. The x axis breaks down the saguaros into size classes. The total number of saguaros counted is on the far right side of the cart. There has been an increase in the overall number of saguaros on the plot since the last Saguaro Census in 1990
